# REPUBLIC ACT: 9520

## Cooperative Code of 2008

### Its Goals, Diversity and Learnings

**July 28-29, 2009**  
9:00 am – 5:00 pm

The declared purpose of the law, among others, is to foster the creation and growth of cooperatives as a practical vehicle for promoting self-reliance and harnessing people power towards the attainment of economic development and social justice.

The aim of the seminar/ workshop is to give cooperatives an opportunity to understand the ideas and innovations that are contained in the Cooperative Code of 2008. The approach is to break up the code into more convenient chunks for sufficient depth and reflection. Current debates on managing the diversity of cooperatives and cooperative learnings are introduced and evaluated.
